

Recovery

At Grace Church, we offer a discipleship and recovery opportunity called re:generation. Re:generation is a 12-step discipleship process oriented around life change and hope through the application of God's word. By working through these 12 biblical steps of looking to God, looking to self, and looking to others within an authentic community, people have found freedom from substance abuse, codependency, pornography, disordered eating, depression, fear, control, emotional/physical abuse, same-sex attraction, anger, obsessive thoughts and many other personal struggles.

Re:generation meets weekly with a large group time of either teaching or a personal testimony followed by a time of discussion in a small group format. You are welcome to join us any Tuesday night.

Local Resources:

Miracle Hill Overcomers: <https://miraclehill.org/shelters/overcomers-center-for-men/>

The Overcomers Center is a 27-week residential addiction recovery program for men suffering from life-dominating addictions. We implement a biblical adaptation of the twelve step program to help men develop the ability to live a life free from the sin of addiction. Educational and life skills classes, group and individual counseling, bible study, devotional services, classroom instruction, and seminars are part of the four-level curriculum. After graduation guests are encouraged to stay in a Miracle Hill Transitional House for additional support as they move toward independent living.

Miracle Hill Renewal: <https://miraclehill.org/shelters/renewal-for-women/>

Renewal is a six-month addiction recovery program for women. In this Christ-centered, residential facility, guests complete four levels of a Bible-based twelve step program to qualify for graduation. Group and individual counseling, life skills, and educational classes, devotional services, and discipleship help these ladies focus on God as they learn to live a life free from addiction.

Phoenix Center: <http://www.phoenixcenter.org/>

Their mission is to assist the citizens of Greenville County and the surrounding area in the prevention, treatment, and recovery from substance use disorders by offering effective and affordable services.
